Dated 17/18 February 1893.

To

The Munzrai Secretary to the
Dewan of Mysore.

Sir,

I have the honor to state that Bairappah, a well known Patel of Konapalli, Chintamani Taluk, and his brothers Ramanna and Irappah, have at their own expense constructed a temple dedicated to Kodanda Ramaswami at that village, and have founded a Chattram on the Chintamani Siddaghatta high-road for the use of travellers.

2. They wish to deposit Rs, 14,000 in Government Treasuries under the Rules contained in Government Proceedings No: 492-500/22 of the 9th August 1892, and to utilize the interest thereon for the benefit of the Religious and Charitable institutions as particularized in the margin. They have executed a document binding themselves, their heirs, executors, administrators or assignees not to demand at any time without the consent of Government the whole or any

× Rs 50 for the annual Car-festival of the Kodanda Ramaswamy temple.

542 for feeding and distribution of raw rations in the Chattram

any portion of the principal deposited by them.

Rs 108 for the pay of 4 servants attached to the Chattra. at Rs 9 per men

Rs 100. Total

3. The founders have endowed the temple with Inam lands to the extent of 20 acres and 7 guntahs assessed at Rs 64-8- subject to the payment of quit rent &c amounting to Rs 12-11-6 as per accompanying Kanarese list marked A for the performance of Service therein, and have provided the Chattram with the vessels required for the same.

4. The said Bairappah and his brothers pray that the Chattram and temple with all their endowments may be taken over by Government for management and the charities founded by them perpetuated and the objects thereof fulfilled for ever. They say that they during their life-time, and any competent heirs after them would be willing to supervise under the orders of Government the business connected with these institutions, but if it be considered inconvenient or undesirable to permit them to do so, they are prepared to make over charge of the institutions unconditionally to Government.

5. The Applicants request that the Chattram built by them which in its

present state is valued by the Amildar at Rs 4500 may kindly be endowed with Jodi lands with a Beriz of Rs 90 under the Rules published in Appendix G to the Mysore Land Revenue Rules, and the income thereof minus the Jodi &c annually payable to Government may be appropriated for the upkeep of the building and for the repair and any replacement of the vessels belonging to the Chattram.

6. The applicants are old and respectable Raiyats and the public and the charitable spirit they have evinced in coming forward with such liberal grants for purposes of public utility being commendable and deserving of encouragement I beg to request that you will be good enough to obtain the sanction of Government to their prayer being complied with in its entirety.

7. On receipt of sanction to the proposals specified above, I shall submit through the Chief Secretary the necessary alienation statement for the grant of Jodi land for the maintenance of the Chattram under allusion.

8. The original vernacular records bearing on the subject as per accompanying paper are herewith submitted for reference and obliging return when no longer required.

I have the honor to be,
